

Additional Recycling Services

Use this form to request additional recycling services for your property **or** if you live outside the normal kerbside collection area but agree to pay a fee to access the service (please note - a collection service will not be available in all areas of Tasman District).

This form must be complete by the Ratepayer of the Property. If you require the invoice to be sent directly to a tenant or property manager for payment, please insert their information below*

Valuation Assessment:	
Property Location:

I understand that Tasman District Council will invoice me \$160.00 (incl GST) per annum to service each additional recycling wheelie bin. I agree to pay for these services and Council will continue to invoice me until they receive written confirmation that the service is no longer required. I understand that this fee is reviewed by Council each year.

SignedDate.....

Name (printed)..... Contact phone number.....

Email.....

If this application is successful, all invoices are due the 20th of the following month and any expense incurred by the Council in the course of recovering outstanding debts will be payable by the Applicant.

Things you need to know:

1. Use this form if you wish to pay for an additional recycling service at your property, or, if you are on a non-rated property and wish to access the recycling service (with prior approval from Council).
2. Council's recycling service provides one 240 litre recycling bin for recycling paper, plastic, cardboard, tin and up to two 60 litre blue glass crates. This is collected once every two weeks.
3. The service is primarily designed for household use, but commercial properties will also have one bin and services provided for that bin. Additional commercial recycling services may be provided by Council's contractor or any other waste services contractor in the District.
4. The offer of additional services is for residential services for additional households on a rated property, and is based on a one year service starting 1 July each year.
5. Council will invoice customers who in for additional services on an annual basis. The charges for these services will be reviewed every year, and published in Council's schedule of fees and charges.
6. If you are paying for additional services and sell your property, you must contact Council so that the bins and/or crates can either be returned or relocated to your new property.
7. If you choose to opt out of additional services you must notify Council prior to 1 June each year. A bin collection fee (currently \$25.50) may apply for cancellations.
8. By submitting this form you confirm you have authority to request additional services on behalf of the above property. The person who signs this form is responsible for the costs of the bin(s) until the bin(s) are returned to Council.
