

# RESERVOIR CREEK FISH DISTRIBUTION

As part of the Sustainable Management Fund 2230 a Fish Distribution Report is required.

A total of seven stations have been assessed since commencement of the project on July 1 2006:

- The Reservoir
- Easby Park
- Welsh Place
- “Stillwater” Creek
- Templemore Pond
- Below Templemore Pond
- Below Salisbury Road

Survey methods included: electric fishing, spotlighting, gee minnow traps, fyke nets and hand nets.
