

# WAIMEA PLAINS FRESHWATER AND LAND ADVISORY GROUP

## Agenda Meeting 4

15<sup>th</sup> September 2014 – 9.30am

Council Chambers

### Objectives:-

- To understand how the Waimea Estuary is connected to and affected by the freshwater resources of the Waimea Plains
- To provide for alignment with the National Objectives Framework
- To confirm the management objectives for the Waimea water resources
- To agree on the attributes that need to be considered for limit setting and management measures.
- To agree the meeting date for future meetings, agenda and the pre-work.

### Pre-Work

Please come prepared for this meeting by reading:-

- Appendix 1 of the National Policy Statement
- Appendix 2 of the State of the Environment Report
- Schedule 30B of the TRMP for the Waimea water bodies in sections (1) – (9);

Give some thought to:

- Whether the Schedule 30B is complete – and what is needed to make it complete.
- How the uses/values listed in the Schedule 30B could be described.
- What is needed to ensure the management objectives specified in Schedule 30B are met – particularly in relation to selection of attributes/indicators.
