3 PUBLIC FORUM

3.1 Fabian Amor and Heather Bryant

Mr Amor (Operations Manager) and Mrs Bryant (Chairperson) from Nelson Hockey Association said they have a plan to replace the current lighting on one of the hockey turfs with LED lights. This will enable top national tournaments or international games to be held at Saxton Field. Currently the lights aren't up to international standard and they are expensive to run. Mrs Bryant said the cost of the project would be approximately \$300,000, which includes the LED lights, poles and installation. They will be seeking funding from both Councils.

8 REPORTS

8.1 Saxton Field Activity Report

Richard Hollier, Reserves and Facilities Manager and Andrew Petheram, Property Parks & Facilities Asset Manager, spoke to the report which was taken as read.

Discussions ensued on:

- shared path upgrade by Heslops and Saxton Creek;
- staff met last week to discuss the driveway at the shooting club – this is one of the top priorities for this financial year;
- Champion Drive/Saxton Field link road (Stage 2) - one of the savings was the street lights (will do the ducting but not put up the street lights in this financial year), also the bus turnaround area won't be a priority.

8.2 Saxton Field Marketing and New Brand

Stu Dalton, Events and Venues Adviser, gave a verbal update on the upcoming cricket match between New Zealand XI v West Indies A at the oval on 12 December. They are only expecting 150 people, with no food or drink for sale.

The South Island Colgate Games will be held in January 2021 at the oval with 1000 athletes competing aged between 7-14 years.

Mr Dalton, Chris Choat, Community Relations Manager, Kim Grade and Allan Innes-Walker from Hothouse, were in attendance to discuss a brand architecture document for Saxton Field, which was circulated. The Committee discussed the document:

- expressed varying views about using the word "field";
- on page 5, within Saxton Velodrome there is a learn to ride area too, plus BMX and gym

activity. Various functions happen under the activities;

- really like the way the branding is heading;
- covers everything – the different users;
- missing a sense of place – doesn't seem to be any history or culture/heritage in any of the territories;
- push play doesn't feel new – it is something from 10 years ago;
- logo needs to be readable;
- like the geometrical shape concept but it could be softer.

A change was made to resolution 2. below to change the word “final” version to “draft” version.

The Committee would like to schedule a workshop to discuss the branding in January 2021.
