Who/what Question,

The whole Community will benefit from the kids attending this tournament. From the School being proud of how well the kids play and behave at this tournament, this grows such a great team and school spirit. The kids learn about playing sport at a higher level and all the pressures that go with this. Their parents, grandparents and Community, will be so proud of these kids, as they all conduct themselves very well, while away.

Description of voluntary time. Question,

Coach, manager and trainer all give up their time to help this great bunch of kids. This year is also a rebuilding year, with having lost 6 players from last year. The N.B.S is lending us their van and so ~~to~~ are Te Awhina Marae.
