38248	11/08/10	Glenaven Drive, Motueka	Retention ponds in Glenaven Drive do not drain properly after heavy rain. The drain is higher than the surrounding land and the land needs raising up to the same level to enable the water to disappear.		Still to be planted		DO
10362	8/11/10	2A Greenwood Street	Carpark has a lot of weeds and litter in it. Mr Ogilvie would like this area marked with carparking spaces			15/08/11	DO
40594	9/02/11	Old Wharf Road	Guard rail on the edge of Thorp Drain between Goodman Park and 76 Old Wharf Road is covered in algae and needs cleaning		Advised should be done by end of August. Paul Hawkes to advise if not completed so it can be followed up on.		PH
13516	20/04/11	Pah Street	Would like 60 minute parking restriction in Pah Street, from Bennett Street to High Street. Apparently cars park there all day and inhibit people wishing to visit library or Parklands School. This would be in keeping with Tudor, Wallace and Greenwood Streets.		This will need to go out for consultation before parking changes can be made. Steve Elkington to update progress.		DO
13519	20/04/11	Main Road Lower Moutere	The cycle lane alongside the Moutere Highway is badly corrugated between the Lower Moutere School and the Lower Moutere shop. Could the surface be smoothed, as cyclists are using the roadway along this stretch because of the corrugations		Consider surface to be fine, but will resweep the cycleway		DO

13520	20/04/11	High Street and Courtney Street corner	In a previous request it was asked for a sign to be erected on the corner of High Street and Courtney Street directing people to the Jack Inglis Hospital. The reply received was that the hospital did not want the sign. At the Community Board meeting in April Cr Jack Inglis stated that a sign would be acceptable as long as it was worded "Jack Inglis Friendship Hospital"		Steve Elkington to update progress on this sign		DO
13940	23/05/11	Franklin Street, Marahau	Needs to be no parking lines marked for approx. 20 metres back from the intersection with the main road, possibly on both sides of the road. A number of visitors park right on the corner			15/08/11	DO
14628	27/06/11	Woodlands Ave	No parking lines on the Woodland Ave corner, opposite New World entry need to be remarked. It seems to have been missed in the latest marking programme		Road markers are currently in Motueka doing necessary jobs		DO
14629	27/06/11	Motueka township	All the pedestrian crossings in central High Street and those in Wallace and Greenwood Street need to be remarked		Not TDC road, passed to Opus to mark		DO
14630	27/06/11	Thorp Street	In Thorp Street just back from the corner of Fearon Street there is a macrocarpa tree that's lower branches are hanging over the drain and part of Thorp street. These need to be removed to improve sight lines for traffic		contractor will mow with road-side mower when next passing. Not on high priority list so could be a month or so.		DO
14631	27/06/11	Trewavas Street	Three out of the four beach walkway signs from Trewavas Street through to the Trewavas Street foreshore reserve are in old and poor condition and need replacing.			15/08/11	DO

14909	15/07/11	Tudor Street	Potholes need repairing outside 52 Tudor Street		With contractor, still to be completed		DO
14913	15/07/11	Corner Thorp Street and Pethybridge St	Overhanging foliage from the property on this corner needs trimming		Letter sent to property owner. This can take 2-3 months before being completed		DO
14914	15/07/11	Oaks Lane	Can council's street sweeper clean Oaks Lane when they are sweeping Naumai Street		Road swept, but this is a private road and should not have been swept. Will not be done again	15/08/11	DO
14915	15/07/11	Corner Mickell Road and Motueka West Bank Road	No exit sign required at this intersection showing no exit from Mickell Road			15/08/11	DO
15081	25/07/11	Thorp Street North approx 750 metres from Staple Street intersection towards oxidation ponds	Household rubbish has been dumped, blocking a culvert.			27/07/11	DO
