

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
38248	11/08/10	Glenaven Drive, Motueka	Retention ponds in Glenaven Drive do not drain properly after heavy rain. The drain is higher than the surrounding land and the land needs raising up to the same level to enable the water to disappear.		Still to be planted		DO
10362	8/11/10	2A Greenwood Street	Carpark has a lot of weeds and litter in it. Mr Ogilvie would like this area marked with carparking spaces		Line marking still to be completed		DO
40594	9/02/11	Old Wharf Road	Guard rail on the edge of Thorp Drain between Goodman Park and 76 Old Wharf Road is covered in algae and needs cleaning		Passed to MWH 09/02/11. Unable to get updated progress.		PH
41006	15/03/11		There is a narrow walkway from the end of anarewa Crescent through to the TDC reserves that needs to be cleared and signposted.		Parks and Reserves team looking at options for this walkway as it is not a defined accessway.		DO
13516	20/04/11	Pah Street	Would like 60 minute parking restriction in Pah Street, from Bennett Street to High Street. Apparently cars park there all day and inhibit people wishing to visit library or Parklands School. This would be in keeping with Tudor, Wallace and Greenwood Streets.		With Steve Elkington at TDC to look at		DO
13519	20/04/11	Main Road Lower Moutere	The cycle lane alongside the Moutere Highway is badly corrugated between the Lower Moutere School and the Lower Moutere shop. Could the surface be smoothed, as cyclists are using the roadway along this stretch because of the corrugations		With contractor to advise repair, delayed due to poor weather in June		DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
13520	20/04/11	High Street and Courtney Street corner	In a previous request it was asked for a sign to be erected on the corner of High Street and Courtney Street directing people to the Jack Inglis Hospital. The reply received was that the hospital did not want the sign. At the Community Board meeting in April Cr Jack Inglis stated that a sign would be acceptable as long as it was worded "Jack Inglis Friendship Hospital"		With Steve Elkington at TDC as this wording will not fit on normal signboard. Will need special sign and will need to go by Transit as well		DO
13940	23/05/11	Franklin Street, Marahau	Needs to be no parking lines marked for approx. 20 metres back from the intersection with the main road, possibly on both sides of the road. A number of visitors park right on the corner		With contractor, still to complete		DO
13941	23/05/11	High Street	Footpath in High Street, by the Celsius Café, has been displaced and requires smoothing off. There is also broken concrete as wee			1/07/11	DO
13942	23/05/11	Wallace Street	Approximately 10 metres from Hart lane, on the High street side a concrete slab has become displaced and requires smoothing or replacing.			1/07/11	DO
41759	25/05/11	Umukuri Road	Open drain alongside road seems a hazard for vehicles and pedestrians. (particularly children walking to and from school) Are there plans for this to be piped?		Open drain will not be filled in, it is a land drain and not maintained by TDC		DO
14009	25/05/11	Queen Victoria/Whakarewa Street	2 potholes, one in Queen Victoria Street and the other in Whakarewa Street each side of the intersection			1/07/11	DO
14075	27/05/11	High street	Weeds, dirt and litter need to be removed from the roadside channels along High Street between Woodlands Ave and Monahan Street			1/07/11	DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
14628	27/06/11	Woodlands Ave	No parking lines on the Woodland Ave corner, opposite New World entry need to be remarked. It seems to have been missed in the latest marking programme		Due to be done in mid July, but not completed yet		DO
14629	27/06/11	Motueka township	All the pedestrian crossings in central High Street and those in Wallace and Greenwood Street need to be remarked		With contractor, still to complete		DO
14630	27/06/11	Thorp Street	In Thorp Street just back from the corner of Fearon Street there is a macrocarpa tree that's lower branches are hanging over the drain and part of Thorp street. These need to be removed to improve sight lines for traffic		Being followed up on		DO
14631	27/06/11	Trewavas Street	Three out of the four beach walkway signs from Trewavas Street through to the Trewavas Street foreshore reserve are in old and poor condition and need replacing.		One new sign has been ordered, the other 3 are OK. These have been cleaned		DO
42135	1/07/11	Corner of roundabout - High Street and Wharf Road	Hydrant very loose and leaking, concerned it could break off and not be able to be used in an emergency			21/07/11	PH
14909	15/07/11	Tudor Street	Potholes need repairing outside 52 Tudor Street		With contractor, still to be completed		DO
14912	15/07/11	Corner of Wilkinson and Greenwood Sts	Potholes need repairing			1/07/11	DO
14913	15/07/11	Corner Thorp Street and Pethybridge St	Overhanging foliage from the property on this corner needs trimming		Letter sent to property owner		DO
14914	15/07/11	Oaks Lane	Can council's street sweeper clean Oaks Lane when they are sweeping Naumai Street		With contractor		DO
14915	15/07/11	Corner Mickell Road and Motueka West Bank Road	No exit sign required at this intersection showing no exit from Mickell Road		With contractor to complete		DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
15081	25/07/11	Thorp Street North approx 750 metres from Staple Street intersection towards oxidation ponds	Household rubbish has been dumped, blocking a culvert.		With contractor		DO
