25297	15/09/08	Talbot Street, southern end	There is a ticketbox and stile (once the entry into Sportpark) at the southern end of Talbot Street that needs removing. It is difficult for cycles, wheelchairs and prams to pass through.	Enquiry Raised and passed to Kathy Tohill and Glenn Thorn	Raised at Com Bd meeting 11/11/08, stile still not removed. David Ogilvie to remove.		DO
25639	1/10/08	Motueka Tennis Club, tennis courts in Memorial Park	Moss on tennis courts needs spraying, Agnes McNabb from the tennis club has requested this. contact is 5287436 after 6.30pm	Enquiry Raised			DE
28221	21/01/09	Decks Reserve	The NE corner of Decks Reserve has a single rubbish bin which is frequently full to overflowing, another bin alongside would be a benefit, there is a double bin situation at the other end of the carpark. An extra bin at the NE corner would service the playground & the car park areas		Order printed 28/01/09		DO
29353	6/03/09	Motueka Tennis courts, Pah Street, Motueka	Where the large flax bushes have been removed the area needs to be completely cleaned up. The weeds and shrubbery need to be removed and the space concreted or gravelled. This would tidy up the place and improve the look.		passed to Kathy Tohill		DO
	6/03/09	Tudor Street	Surface still rough and uneven. Fulton Hogan were to repair, can this be brought forward as an urgent matter	E-mailed to Peter Thomson			DO
	6/03/09	Open Stormwater Drains	Thorp drain, Woodlands canal, Lummis drain and Queen Victoria Street drain - What cleaning and clearing has been completed for these open drains and what work is planned for these for March	E-mailed to Kim Arnold and Peter Thomson			DO

902186	13/03/09	Marahau Road Reserve	gorse bushes on road reserve bordering the estuary at the entry to Marahau. Issue from Marahau Community Association meeting	Assigned to Steve Elkington 17/03/09	Sent to MWH to action		DO
902191	13/03/09	Hill from Riwaka to Marahau	Appropriate signage needs to be put up on the tight corners on this hill to aid visiting drivers	Assigned to Steve Elkington 17/03/09	Issue noted. No action required		DO
	13/03/09	Marahau Hill	Can the road be checked for potholes. Also is there any progress on the footpath 'clip-on' for the Marahau River bridge	E-mailed to Steve Elkington			DO
30923	15/05/09	Kerb crossings	The following kerb crossings need improving for mobile scooters:	Assigned to Steve Elkington and enquiry raised 26/05/09			DO
			corner Greenwood and Thorp Streets (both sides), corner Clay and York Streets, corner Greenwood Street and Kingstan Place. It was also suggested that the kerb crossings be painted white at the edge to help the elderly at dusk				
31029	21/05/09	Old Wharf Road	Request for street lighting on Old Wharf Road near the Toilet Block/Skatepark	Works order printed 21/05/09	Geoff Walker from Powertech liaising with TDC	21/05/09	DO
31423	10/06/09	Woodlands Drain, Woodlands Ave	The full length of the drain needs clearing of weeds and rubbish	Works order printed 10/06/09			DO
31808	24/06/09	Greenwood Street	After the sealing of Greenwood street and it being swept there is still sizeable loose chip near the kerb and storwater channel. This needs to be collected. There are also bald patches showing where the chip has not stick properly. Could council monitor this as a re-seal may be warranted.	Order printed 24/06/09			DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
31809	24/06/09	North Street	The heavy rain in June has undermined the work done in this street. The potholes need refilling. Long term solutions is needed for drainage and footpathing. Local residents would like meeting to discuss options. CB is happy to arrange.	Enquiry raised. Steve Elkington to contact re meeting.			DO
31811	24/06/09	North Street Reserve	Tree branches are overhanging the road from the reserve. These need pruning.	order printed 25/06/09			DO
31812	24/06/09	Greenwood Street/Thorp St Intersection	Kerb crossing needs upgrading for mobile scooter and pedestrian safety.				DO
31813	24/06/09	Clay St/York St intersection	Kerb crossing needs upgrading for easy pedestrian and mobile scooter access.				DO
31814	24/06/09	Kingstan Place/Greenwood Street intersection	Kerb crossing needs upgrading				DO
31815	24/06/09	Thorp Street North and Staples Street	Thorp Street, north of Fearon Street & Staples Street have a 100kph open road speed limit. These need to be reduced to 80kph to link with other speed restrictions in the area. Eg SH60 from Fearon Street to the Cooks corner intersection				DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
31816	24/06/09	Woodland Avenue	at the northern end of Woodland Ave there is a 90 degree bend going towards High Street. Occasionally there are vehicles parked on this bend requiring vehicles travelling towards High Street to veer across the centre onto on-coming traffic, which is an accident waiting to happen. No parking lines at the bend and 20 metres to High Street would provide a much safer situation.				DO
