

STAFF REPORT

TO: Grants and Community Facilities Subcommittee
FROM: Mike Tasman-Jones
DATE: 15 September 2005
SUBJECT: Grants from Rates Workshop 10 October 2005

The workshop on the Grants from Rates scheme made the following recommendations:

- Give guidance on the average amounts allocated for each category on both the guide and the application form
- Note that amounts applied for exceed amounts available
- Meetings will be in committee
- A roughly equitable selection of applications will be sent to each Subcommittee member to report back on at the allocations meeting.
- Museums will be separated from Grants from Rates for the 2006/2007 year

Attached is the draft guide and application incorporating discussed changes and some suggested alterations to category allocations.
