Attached is a copy of the above report which highlights rural fire activities during the month.

### **1.2 Rural Fire Network**

As a result of the untimely death of Neil Eder, his wife has recently sold the business to Ian Reade and Leanne Cooke and they take over the business from 1 August 2011.

1.3 Ian has had a lifetime in the forestry industry and also has experience in both urban and rural fire fighting. Leanne has been part of the Rural Fire Network organisation since its inception over 10 years ago and her continued involvement in the business is extremely welcome.

1.4 We look forward to continuing the very successful rural fire fighting service that has been built up over the years and wish Ian and Leanne all the best with the business.
