

**TO:** Chairman & Members, Information and Publicity  
Subcommittee

**FROM:** David Ward

**DATE:** 14 September 2005

**SUBJECT:** **2005/2006 Community Consultation Grants**

---

Attached to this report is a copy of a letter forwarded to community organisations detailing criteria against which applications for 2005/2006 Community Consultation Grant applications will be considered, a copy of responses received and a schedule detailing requests against 2004/2005 allocations.

Prior to considering those applications received, the Subcommittee will first review the criteria and satisfy themselves that these are still relevant for the 2005/2006 financial year, taking particular note of our consultation requirements under the Local Government Act 2002.

If Subcommittee members have any information requests in relation to any of the applicant organisations, would you please contact me prior to today's meeting in order that I can obtain the necessary information.

Financial records submitted by applicant organisations have been retained by myself on the basis of confidentiality.

### **RECOMMENDATION**

**That community consultation grants for the 2005/2006 financial year be allocated as detailed on the schedule attached to this report.**
