

REPORT

TO: Members, Communications Subcommittee
FROM: Chair, E J Wilkins
DATE: 13 May 2008
SUBJECT: **Chair's Report for May 2008**

I am looking forward to the challenges of chairing this Subcommittee and welcome Stuart Borlase to the Subcommittee.

A key challenge for the Subcommittee this year will be reviewing and fine-tuning the new proposed Communications Strategy. The plans underlying the strategy, when completed, will contain key performance measures that will enable the Subcommittee to track and monitor progress against the strategy.

The Subcommittee has an important part to play in communicating Council information and news to the community and I look forward to working with you all in achieving this.

E J Wilkins
