

## **REPORT**

**TO:** Motueka Community Board  
**FROM:** Chair, David Ogilvie  
**REFERENCE:** AA508  
**SUBJECT:** Discretionary Fund Applications – RMCB10-05-02

---

### **Purpose**

To consider the following two applications for discretionary funds.

#### **1) Motueka Maori Wardens**

Requesting \$200 towards erection of a directional sign outside Deck's Reserve.

#### **2) Motueka Recreation Centre**

Requesting \$499 to fund a youth bus on Friday nights.

### **Discussion**

Representatives from each organisation will be in attendance to present their application.

### **Notes:**

- Is it helpful that a Board member liaises with each applicant prior to the Board's monthly meeting, to provide advice and information for when the Board discusses the application?
- Should applications be considered monthly, or less frequently, eg three monthly?
- Is it opportune to review the Discretionary Fund criteria as to how the \$5,000 is best allocated?
