## PARKS & GARDENS

PROJECT	STATUS
Walkways	A plan has been produced to aid Keep Motueka Beautiful in their work on the Inlet (ex sawmill site) walkway.
Memorial Park	Work has started on the car park formation for the Senior Net and Toy Library building.
Decks Reserve Toilet Upgrade	Work on the upgrade has been completed and the toilets look fantastic. We have received some ideas on minor improvements that will be looked at by staff.
Decks Reserve path/planting	Glenn Thorn is working on a plan for the extension of the footpath with members of local community groups.
Thorp Bush New Toilet	Our contractor will be commencing the installation of this toilet shortly.
The Harbour Board land on Wharf Road	This area has been mown with a mulching mower and is ready for grass seed and planting.
Kumeras Walkway	Work has commenced on the shifting of a stretch of this walkway due to erosion problems.
Riwaka Tennis Courts	A price has been accepted for the overlay of the tennis courts.
Weber Bros Circus	The circus has booked Goodman Rec Park for a week in November. The details are currently being worked through.
