**TO:** Motueka Community Board  
**FROM:** Chairperson C Satherley

**DATE:** 21 August 2007  
**SUBJECT:** Monthly Report

## **1 Engineering Standards 2007 – Workshop**

The Engineering Department have advised that they would be available to run the above Workshop with the Board at the Motueka Service Centre on Monday 3 September 2007 at 9.30 am.

We need to confirm that this date and time is suitable.

## **2 Motueka Sportspark**

It is good to see the park, with its new grandstand, being used for Seddon Shield matches. This is very good for Motueka and for those who worked so hard to have the new facilities built.

We need to support further improvements to the facilities at the park.
