

STAFF REPORT

TO: Chair & Members, Motueka Community Board

FROM: Lloyd Kennedy

FILE: AA508

DATE: 15 July 2010

SUBJECT: **Food Bus, Riwaka Reserve Car Park - RMK10-02-05**

Last year a Food bus was given approval to operate from the Riwaka Reserve Car park on a trial basis. This has appeared to work very successfully and we have received no complaints about it operating from the car park.

Before renewing the contract staff would appreciate feedback from the Board about the Food bus operating from this venue.

Recommendation

That the Motueka Community Board advise the Property Manager that they agree to the continuance of the use of the Riwaka Sports Field Car park by the Food bus. (Report RMK10-02-05).
