

HIGH ST. IMPROVEMENTS :- YOUR PREFERENCE

There were 110 responses to the survey, which requested the top four choices for possible traffic improvements for High St.

Results are as follows :-

1. Traffic signals at the High St, Pak St, Greenwood St intersection
- 85 (78%)
2. Round-a-Bout at the Clock Tower Corner
- 73 (66%)
3. Pedestrian Crossing between The Warehouse & New World
- 65 (59%)
4. Round-a-Bout at Woodland Ave, Whakarewa St., High St.
- 46 (42%)
5. Direct Heavy Traffic West through K. Edward, & Victoria Str
- 44 (40%)
6. Direct Heavy Traffic East through Old Wharf Rd, Thorp, Staples St.
- 37 (34%)
7. Re-locate the pedestrian crossings to "pedestrian desire" lines
- 27 (25%)
8. Improve Wallace St & Tudor St intersections to improve flow
- 16 (15%)
9. Create off-street parking on the Western side of High St
- 12 (11%)
10. Define the parking spots along High St
- 3 (3%)

The number of responses exceeded my expectations - High St traffic is a major issue. Additionally, many people added their own thoughts & ideas for traffic.
